## **Letter of Intent**

Dear Sir/Madam,

*Optional*

[*Name of Company*] participates in several projects of the ESFRI Roadmap for pan-European research infrastructures.

Based on our interest in Euro-BioImaging, we would like to declare that [*Name of company*] expresses its intent in taking part in the Euro-BioImaging consortium activities.

[*Name of company*] considers the project Euro-BioImaging, belonging to the ESFRI Roadmap, of a very high importance. Furthermore, [*Name of company*] recommends the cooperation with Euro-BioImaging. [*Name of company*] develops and commercializes key products at the cutting edge of imaging technology development and [*Name of company*] believes that Euro-BioImaging and [*Name of company*] would both benefit from a close collaboration.

Yours sincerely,

[*Representative of company*]
